Thanks. My thought is that we would likely need to discuss. This is the accounting system that was used prior to implementing Xero which is used by Armanino. This has all of the accounting information prior to 2017. You may want to consult with Marcus before we talk. I am available Monday before 1:00. I'm on jury duty right now and not sure of my schedule beyond Monday.

Thanks.

Suzanne

Jessica,

We are going to be migrating to a new server and need to remove the CCA MAS90 accounting database from our server. Can you let me know, or can we set up a time to discuss, what, if anything, you'd like us to do with it? We need to do this fairly soon so appreciate connecting with you sooner than later.

Thanks.

Suzanne
